

COME JOIN OUR DYNAMIC TEAM!

Recovery Ways Idaho, Inc is currently seeking qualified individuals that can fulfill the role of Peer Support Specialists for our Mt Home location.

This position will begin as part time and has potential to become full time, if desired, with displayed proficiency in job duties.

A qualified individual will have at minimum a high school diploma or GED, have personal lived experience with a mental health diagnosis, have two years of mental health recovery, and have a strong desire to help others. Peer Support Specialists use their personal lived experience navigating mental health systems and engaging in their own recovery process to support others with mental health diagnosis in finding their own path to recovery. Candidates must have a reliable form of transportation and computer skills. Qualified candidates will have their peer support certification through the State of Idaho.

Benefits for full time staff of Idaho Behavioral Health include health, dental and vision insurance, paid time off, paid holidays, 401K, stipend for continuing education, and EAP benefits. Competitive salary DOE.
